> GOOD ADVICE TO GIRLS WHO TRAVEL.

The young girl who is traveling by the train people rather than from her companions on the train. No girl in and careful discription of points of int traveling should make confidents of terest in the Capital City. The fron cover of the book is embel i shed with a cover of the book is embel i shed with a name, her destination or her family handsome steel engraved portrait of affairs, or make acquaintances on the the "Stuart" Washington, The re, road. She may, however, show kind attention to a mother traveling with the grasp of an eagle. The inside pages little children, a muse a wearied little one, and politely thank any one who does her an unobtrusive kindness .-Margaret E. Sangster, in The Ladies Home Journal for July.

Gaskins and Gaines

There is no house in this city that deserves more credit than the Acade my Restaurant under the management of Gaskins and Gaines. This house is patronized by the leading citizens of Washington, both males and females. There are things done for which the proprietors deserve credit. In the irst place the patrons are first class. Fine order is maintained. Their service is equal to any in the city. Ladies may visit this place and be treated as well as if they were at home. Husbands escort their wives there and young ladies unattended are treated well The proprietors will see that they are

Kangaree in Our Menu.

How does "kangaroo tail soup" impress you? You are likely soon to have it, for it has found its way to London from Australia and promises to cross the Atlantic. Those who have acquired the taste for it pronounce it superior to ox tail, or the numerous concoctions that sail under that appendage, though usually the meat for them comes from the other His Patriotic Sentiments Distranchisment o. summer resorts east of the Ohio River. end of the animal.
